

**To Overrule Timidity.**  
Don't believe that you are unable to overcome timidity. You think you are not because you have always been able to control conditions and people in a way to humor it. Start the fight now: for you may some day find yourself alone, and without the money to buy yourself an audience for your peculiarities.

**Overdelicate.**  
It was in a small southwestern town that the town council, which we infer is becoming unduly delicate, caused this notice to appear in the local newspaper when a tax on dogs was imposed: "Tax on each dog—male, one dollar; vice versa, three dollars."—Harper's Magazine.

**Interested at Once.**  
"My dear, you ought to pass up frivolous things and take an interest in deep subjects. Take history, for instance. Gessler, the tyrant, put up a hat for the Swiss to salute." "The lady was a trifle interested." "How was it trimmed?" she inquired.—Louisville Courier-Journal.
